Subject: RE: RBLC Resources

Hi JoAnn,

The email below reminded me the LAER determinations for Invenergy will also need to be added to the clearinghouse. The comment for the mid-year report will read that CbC RACT II and Invenergy LAER determinations need to be added.

Subject: RBLC Resources

Good morning JoAnn,

Below are links to several RBLC resources:
[User Manual, Data Entry Form, and Webinars](#)
[Data Entry Login](#)

Previous determinations in the Clearinghouse have you listed as the ACHD contact, so it would seem you are already a registered RBLC editor. If you no longer have your username and password, the RBLC webmaster contact listed at the login link above is Joe Steigerwald (Steigerwald.Joe@epa.gov).

As a reminder, entering determinations into the RBLC, such as the recent RACT determinations and upcoming Invenergy LAER determination, is a 105 Grant commitment.
